

## CEEC Interest Inventory English Version

### Instruction

Looking toward the future, you may want to study a subject you're interested in or pursue a career that excites you. Interest brings enthusiasm, energy, and a sense of achievement. This test is designed to help you understand your personal interests.

The options shown in this test are activities and occupations. When answering, only consider how much you like or dislike each item. Please don't worry about whether you will actually have the opportunity to do it. You should answer based on your past experiences. When encountering unfamiliar activities, simply rely on your intuition.

It takes approximately 25 minutes to complete the test.

### How to Answer

For each item, please write down the appropriate number on the answer sheet according to your feelings:

**3 – Strongly Like:** You feel a strong, special passion for the activity.

**2 – Like:** You enjoy doing it and would not easily grow tired of it.

**1 – Dislike:** You feel reluctant or uninterested in doing it.

**0 – Strongly Dislike:** You feel a strong sense of rejection or aversion toward the activity.
